

Accommodation

Adventure Tours Australia provides a range of accommodation options for its accommodated and camping safari portfolio:

- Upgrade double / twin / single lodge or motel (all with en-suite)
- Dormitory

Accommodation is a key to our customer experience and the product, and we are committed to selecting quality accommodation and negotiating preferred supplier agreements, to gain the following benefits:

- High quality accommodation standard – presentation and cleanliness,
- Exclusive to ATA where possible - for example Kroombit Cattle Station, Queensland; Rawnsley Park Station, Flinders Ranges
- Unique - cattle and sheep stations, ranches, wilderness lodge, surf camps, underground motel
- Wow factor – Magnetic Island Base Backpackers, Qld; Parachilna Lodge, Flinders Ranges, all ATA properties
- Valued relationships with suppliers, guaranteed availability
- A distinctive difference, competitive advantage.

Adventure Tours Exclusive Accommodation

Adventure Tours commitment to unique and exclusive accommodation and guaranteed availability, has resulted in the purchase of four properties in Tasmania and one in Halls Gap, Victoria by shareholders.

Adventure Tours properties have been selected for their location, quality, comfort and experience. All properties have been fitted out for meal preparation, dining and have been configured to a mix of dormitory and upgrade options.

The process is simple, our group utilise the properties and locally employed cleaners service the properties on the group's departure.
